

GRATITUDE

REPORT

Fostering a more accessible and supportive society

Through our ministries, and with your steadfast help, Bridge strives to combat marginalization, promote inclusion, and enhance the quality of life for individuals with disabilities in our community.

43

Clients served

Our Guardianship Agency offers ongoing support to adults with developmental disabilities, assisting them with legal, medical, and daily living matters. As legal guardian, we advocate for our clients, helping them navigate housing issues and access necessary care, ensuring they have support during uncertain times.

2475

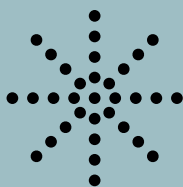

Recipients of equipment

Our Meyer Medical Equipment Center (MMEC) provides refurbished mobility and medical equipment to folks, most of whom are under-resourced, enabling them to participate in community life and maintain their health and well-being.

478

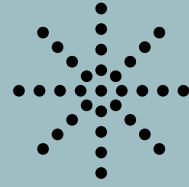

Friends & Caregivers

Recognizing the importance of faith communities, our Spiritual Connections ministry partners with local congregations to improve accessibility awareness and provide resources to make spaces and relationship-building activities more inclusive. .

While individuals with disabilities report that their disability might cause some difficulty and discomfort, most found that marginalization and social isolation from the greater community created the greatest barrier to them living happy, fulfilled lives.

THE YEAR IN REVIEW

Our work at Bridge Disability Ministries is centered around individuals with disabilities, who we are honored to support and work alongside. Because of your generosity, we touched the lives of almost 3,000 friends with disabilities in 2023.

Our ministries address their physical, social, and emotional needs, fostering a more accessible and supportive society. We do all these with a lean staff of 16 team members. Critical to our work are **556 volunteers** who contributed **3,601 hours** in 2023.

MMFC Highlights

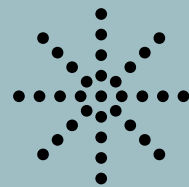

Enhancing productivity and efficiency is a key focus for Bridge, aligning with our mission to reach more individuals. Thanks to your generous support, we implemented a POS system that optimizes resource utilization. Despite staffing challenges, the system helped us serve nearly 2,500 households in 2023. Your contributions made a meaningful impact!

Spiritual Connections Highlights

2023 was a year in which we relished coming back together again after navigating through a pandemic. Spiritual Connections was able to once again hold 12 SEC Celebrations. And it was a year of firsts in our Celebrations: Our first Dancing with You Spring Dance, Mexican Fiesta, and Western Hoedown BBQ! Your gifts have truly enriched our community!

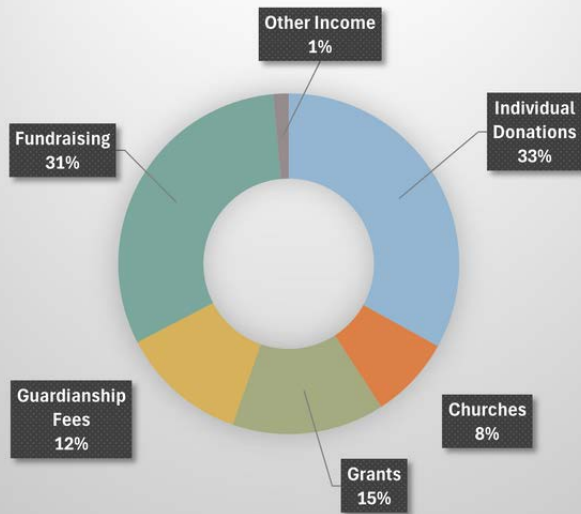

Guardianship Agency Highlights

With your steadfast support, we continue to serve our 42 cherished clients. Despite the loss of two beloved clients in 2023, their enduring legacies inspire us daily. Welcoming a new certified professional guardian and bidding farewell to a retiring colleague, we honor their dedication. Your contributions enabled our debut at the National Guardian Association conference in Orlando, Florida, showcasing our commitment to advocacy and best practices."
