## ACCESSIBILITY HELP

It is the mission of the Spiritual Connections Ministry at Bridge to assist our community churches who purpose to make their facilities accessible to all those living with disability. A great place to start is to assess where you are now and what the next steps may be for you to move toward this goal.

To assist you in this endeavor, we have made available our *Beacon Church Initiative Inclusive Faith Assessment Tool*. It is meant to guide as well as encourage and support you.

Please click this [link](#) to access this Tool.

## ACCESSIBILITY PRODUCTS

The Meyer Medical Equipment Center provides many types of assistive devices. These items are received through donation and are sterilized, refurbished, and made available to a new owner for a suggested donation. You can learn more about the equipment we offer by clicking the link below:
